

How to Register your camper as a Girl Scout (or yourself as an adult Girl Scout)

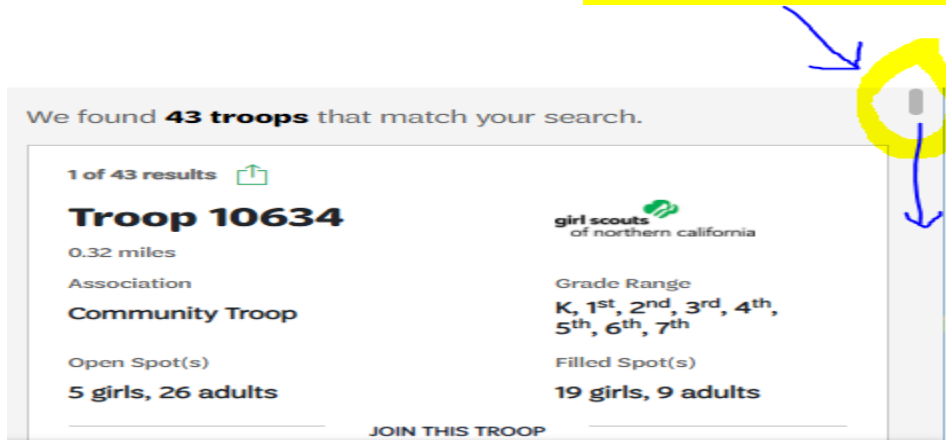

All participants at camp must be registered Girl Scouts except Pixies (girls under 5) and TAGs (young boys) who are children of FT Adult volunteers. Please register as soon as you are accepted into camp so we aren't following up with you in the weeks prior to camp, when we have other important things to be focused on.

Girls who are currently registered with a troop for the current enrollment year (Oct 1-Sept 30) or are currently registered Juliette Girl Scouts do not need to re-register. We will be able to find you on the current rosters.

If you are not affiliated with a troop, we ask you to register as a Camp Arequipa Girl Scout by following these instructions:
